Doggie Daycare - up to 11 hours

We love having pooch play time and daycare is fun for dogs of all ages and sizes. It is important that dogs mix well and play nicely, therefore every dog under goes a behaviour assessment and daycare induction prior to joining the Four Paws Family. Inductions need to be repeated if a dog has not attended for over 1 month but once done, you are welcome through the gates any day of the week.

We want every dog to enjoy a stay at Four Paws and so we design their holiday around their needs. Some dogs like daycare to run with friends, whereas others like their individual playtimes. Our prices remain the same for both options which is for up to 24 hours of care. Dogs who need individual plays must be dropped off after 12pm on their first day and collected before 12pm on the day they go home to avoid being charged for an additional stay. Dogs which can use the daycare must be dropped off before 10am and collected before 10am on the day they go home to avoid being charged for an additional stay.
